

My Erasmus week in germany

By Sofia Irodou

Day 1

Day 1 turns out to be one of the most interesting after we arrived we immediately got to know our new families. In the morning we went to school and met other guys from Germany, we also talked about Cyprus and how our teacher teaches us. It was very interesting. We studied chemistry with German teachers, it was a very interesting lesson. We also tried food from their canteen, it was very tasty. The day went great.

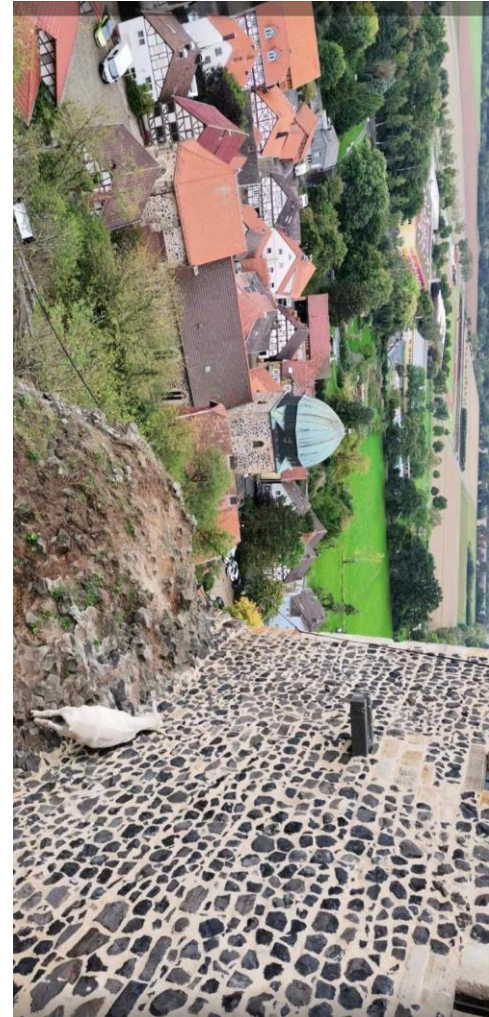

Day 2

Day 2 turned out to be the most informative. we went to the zoo after that we saw a bird show and saw a lot of animals that we were able to feed. We saw foxes, pigs, squirrels and goats. We also went to the city on our old bus, our driver was one of the best. We had a great time. After all these events, we went to ice skating. As after that, when our legs already hurt and after a three-hour ice skating, we went to Bowling. I had a very fun day.

Day 3

3rd day we went to the castle it was 1 of the most Beautiful days this week. We talked to each other, took photos and enjoyed life. After that, we went to the city and stopped at shopping centers to eat and buy a couple of things. I even bought a book for my friend. The day went great, I really enjoyed it.

Day 4

The fourth day we went as far as a factory that makes apple juice and champagne. We were given a taste of juice very tasty, sweet and natural. We also sang songs, danced and had fun. After that, we went to another 1 castle, there was a huge monument. We were very tired after walking down the stairs from this castle for a very long time. We were very tired, but the day was just wonderful.

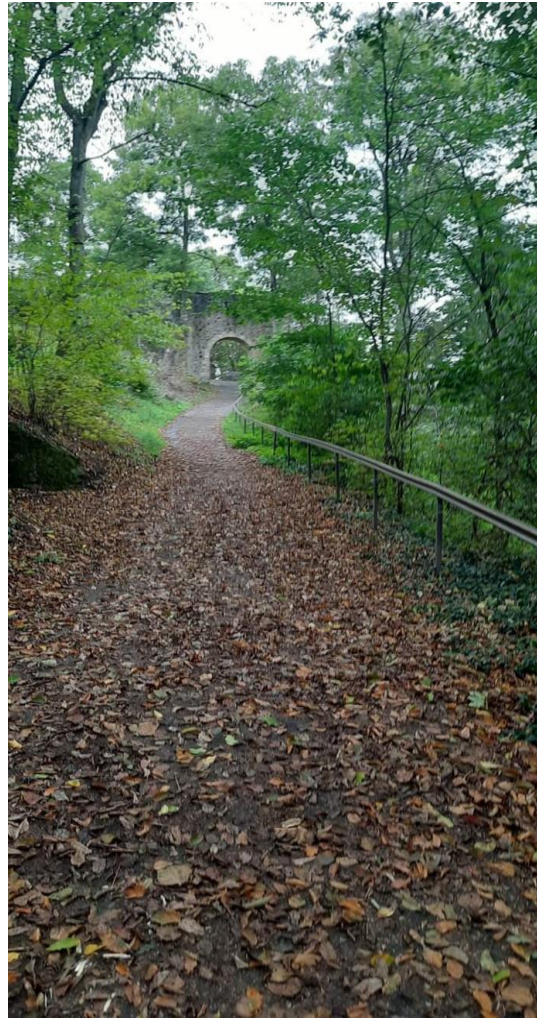

Day 5

On the 5th day we came to school again.

We also went to chemistry class.

After that, the girl I live with and I went to a match with her friends. After that we got home transported and drove off to school as she would play handball. This day was very sporty.

Day 6

Here it is the 6th day, the last. We were at the School And we were told about three cities, after that we played an intellectual game. Then our favorite songs were turned on and we danced. I will miss Germany and their beautiful city, I hope we meet again. So we all went back. I hope our week repeats.
